## 10-minute discussion

Malala Yousafzai fights for the right to education for Syrian children. At a press conference she says that education is the way to a brighter and recovered future for Syria. What do you think she means by this? Do you agree or disagree with her? Why would you say education is important?

## The big debate

Some toy companies are changing the looks of their toys to more reflect real life. Do you think it is important that toys reflect real life? Why/why not? What do you think are the advantages or disadvantages of toys that reflect real life? What do you think the changes will do to kids' perception of life? Do you think it will be affected? Why/why not? Do you know of any toys that have changed earlier? In what way have they changed and why do you think?
