_____.

10-minute discussion

Delhi has become the most polluted city in the world. What do you think of the solution the city has come up with to decrease the pollution? Can you think of other things they could do to reduce pollution? What do you think of Akshat Millats website and why? Do you think it's a good idea to help against pollution? Can you think of anything YOU could do to help reduce pollution in your country?

The big debate

Nigerian school girls have been abducted by people who believe they don't have the right to an education. It's been two years since they were taken and people are campaigning to free them. What do you think the government should do to help free the girls? How can the rest of the world help? Why do you think organisations like Boko Haram can do things like kidnapping school girls and get away with it? Why do you think they are so opposed to girls getting an education?
