Discuss

A. Over 200 girls were taken from their school two years ago. Why do you think it's taking so long to free them? What do you think the Nigerian government should do to help the girls and their families? Do you have any suggestions for what other countries could do to help? If so, what? Why do you think terrorist groups like Boko Haram do these sort of things?

B. What do you think of Delhi's solution to the pollution problem? Why do you think it's important not to have too much pollution in the air? Can you think of anything people could do to reduce pollution? Can you think of anything you and your friends could do to help fight pollution? What do you think India should do to reduce pollution?
