10-minutes discussion

Justin Bieber left the stage when his fans were screaming during the breaks in his songs. What do you think about Bieber's behaviour? Did he do the right thing? Why/why not? Does Justin Bieber treat the fans well? What do you think about the audience? How should an audience behave at a concert? How should an artist behave on stage? Have you been to a concert and experienced something similar?

The Big Debate

A new survey from the UK says that young people are losing sleep because of their smartphones. Do you think that it is the same for young people in Sweden? Do you check your smartphone several times in the night when you should sleep? Why? Do you have mobile phone rules at home? At school? Do you think the usage of your mobile phone could affect your performance at school? In what way? Good or bad ways, or both?
