## Newsreel Easy 14/2016

### US kids vote for Clinton

1) What takes place in the US on November 8?

.....

2) Who are the two persons people will be voting for?

.....and.....

3) Who did the kids vote for who they would choose to be the next President?

.....

4) What is so special about the school elections that have become a tradition?

Kids usually get it.....and vote for the person  
who actually .....

### Same-sex marriage in Australia

5) Why are people discussing same-sex marriage in Australia now?

- a) because it is illegal in the country
- b) because it has become very popular lately
- c) because politicians have changed the law about it

6) What does the Australian Prime Minister say about it?

.....

7) How many Australians think that same-sex marriage should be legal?

- a) Around 75 %
- b) Around 65 %
- c) Around 55 %

8) What do the children in Australia say about same-sex marriage? True or False?

- a)"I don't think it is a problem \_\_\_\_\_"
- b)"I think it should be allowed\_\_\_\_\_"
- c)"It is not fair\_\_\_\_\_"

### **Smartphones and sleep habits**

9) Kids in the UK were \_\_\_\_\_ about whether they use smartphones when they should be sleeping.

10) What did most of the kids check on their phones when they should be sleeping?

They said that they check.....

11) Why do they check their phones so much, even at night?

.....

.....

### **Stop screaming , says Bieber**

- 12) Why did Justin Bieber stop a concert in Manchester in England?
- .....

- 13) What message did he put on Instagram earlier this year?
- .....

### **10-minutes discussion**

Justin Bieber left the stage when his fans were screaming during the breaks in his songs. What do you think about Bieber's behaviour? Did he do the right thing? Why/why not? Does Justin Bieber treat the fans well? What do you think about the audience? How should an audience behave at a concert? How should an artist behave on stage? Have you been to a concert and experienced something similar?

### **The Big Debate**

A new survey from the UK says that young people are losing sleep because of their smartphones. Do you think that it is the same for young people in Sweden? Do you check your smartphone several times in the night when you should sleep? Do you have mobile phone rules at home? At school? Do you think the usage of your mobile phone could affect your performance at school? In what way? Good or bad ways, or both?
