10-minutes discussion

Schools had to be shut in India because of air pollution. What is **air pollution**? What makes the air dirty and poisonous? How can **air pollution** affect humans, plants and animals? What could be done to protect our environment from air pollution

The Big Debate

The People's Fridge is a fridge where restaurants and supermarkets can put in food that would otherwise have been thrown away. Is this a good way to reduce food waste? Can you think of other food waste solutions? How can we reduce food waste at home? Would you like to have a "People's Fridge in your neighborhood?
