10-minute discussion

Disney features the first gay character. Do you think we will see more of gay characters in cartoons in the future? Why/why not? Can you think of some ways that Disney can change people's misconception of same sex relationships or how people interpret same sex relationships, for better or for worse? Why does a gay couple in a movie create reactions, do you think?

The Big Debate

In the programme Layla interviews two young people who live in London. Would you like to live abroad? In London or in any other city? What would you study if you lived abroad? What kind of work would you like to have? What things would be important for you?
