

## BLT Sandwich

### Ingredients:

Bacon (rashers)

Lettuce

Tomatoes

Mayonnaise

Bread

### Preparation method:

- 1** Put the bacon slices in a frying pan and fry gently until they are nice and crispy.
- 2** Whilst frying the bacon, chop the tomatoes in thin slices.
- 3** When the bacon is ready, put it on a piece of paper to soak up the excess fat.
- 4** Cut the lettuce into handy slices.
- 5** Spread the mayonnaise on two slices of white bread.
- 6** First, put the lettuce on the mayo, then the tomatoes and lastly the fried bacon.
- 7** Put the other slice of bread on top and cut across diagonally two times to get four triangular BLT-sandwiches.
- 8** If you want a more regal touch, cut off the crusts before serving. Enjoy!
