## B DISCUSS IN CLASS

- Tammy Amaral said that hockey embodies the blue collar work ethic - getting up early in the morning to go somewhere and work really hard. What do you think she means by that? Do you agree/disagree? Can you make comparisons with a sport you play yourself?
- Do you think women's sports get the same credit as men's sports? Why/why not? If not, then why do you think that is? Do you think it is good or bad? What do you think the sports industry should do to make it different, if you think it should change?
