DIALOGMANUS

HARRY

Hmpf... people.

YEMI

People - what?

HARRY

People can be so cheeky.

YEMI

Cheeky? What do you mean,
Harry?

HARRY

I don't know, but I heard a
grumpy man say that on the
bus today. I was just
trying saying the same
thing myself.

YEMI

And?

HARRY

No, it's not for me. I'm a
happy person. And you?

YEMI

What?

HARRY

What kind of a person are
you?

YEMI

I don't know.

HARRY

It's Amira time! Maybe she knows.

AMIRA

Knows what?

HARRY

What kind of person Yemi is.

AMIRA

Yemi? Oh, I know! Yemi is a sweetheart.

HARRY

And Amira, she's a great person, right Yemi?

YEMI

She's better than great.
She's the best!

YEMI (CONT'D)

What's that?

AMIRA

Oh, that! Let me tell you.
I got lost in the park.
That's why I'm late.

AMIRA

I was on the phone with
Isabella, when my battery
died. Then I looked around.
I was lost.

AMIRA

Oh no! I'm lost.

AMIRA

Excuse me, I'm Amira and I
don't know where I am...

PAINTER

Hello.

AMIRA

What are you painting?

PAINTER

I just paint the view.

AMIRA

They are beautiful. And hey
you're painting pictures of
this area.

AMIRA (CONT'D)

That's where the parade
usually is. And there is
the walkway. Now I know
where I am. I have to make
a left, up there...

AMIRA (CONT'D)

Maybe I can use this
painting like a map?

PAINTER

No problem! You can buy it.
I just have to finish it.

AMIRA

Yes, please!

PAINTER

It may take a while.

AMIRA

Okay.

PAINTER

Do you have time to wait?

AMIRA

Yeah. I don't have much
choice, do I?

AMIRA

Smart right? I have a map
of the park now. I'll never
get lost there again.

YEMI

Too bad it doesn't fit in
your pocket.

AMIRA

Yeah.
I didn't think about that.
I'll just hang it in my
hallway instead.

HARRY

The artist. How would you
describe him then Amira?

AMIRA

What do you mean?

HARRY

If I'm a happy person and
Yemi is a sweetheart...

HARRY

...And Amira is... what did you
say Yemi?

YEMI

She's better than great.
She's the best!

HARRY

Right! What kind of person
is the artist?

AMIRA

He is a real salesman.
