10-minute discussion

Have you ever experienced cold weather, like -30 degrees Celcius or more? When the temperature drops below freezing, the human body uses different mechanisms to try to stay warm. Discuss how you experience cold weather. Use the Internet to find out what happens to the body in extreme cold. Think of 5-10 winter survival tips.

The Big Debate

Social media plays a central role in the lives of teenagers. Is there a relationship between social media platforms like Instagram, Snapchat and Facebook, and body dissatisfaction, eating disorder and body dysmorphia? What do you think about using Photoshop in pictures/selfies? Discuss how it affects you. What could be done to change the attitude of people?
