### Discussion points:

1. **Child labour:** When you buy a garment, do you consider the possibility of it being made by a child? Which is most important – cheap fashion or children's rights in a country far away? What is the situation for working children in the world's poorest countries? Find information on child labour here (UNICEF):  
<https://data.unicef.org/topic/child-protection/child-labour/>.
2. **Gaming:** Are you a gamer, or what is your favourite spare time activity? Would you work with your hobby if you could? What arguments for and against working with your hobby can you think of?
