

Doktor Pino.

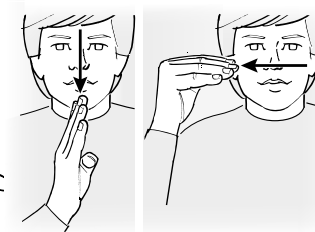

Det här är

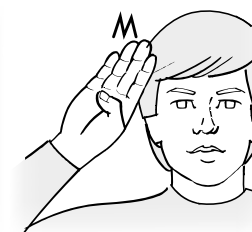

Pino.

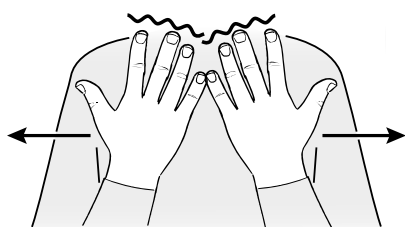

Idag är

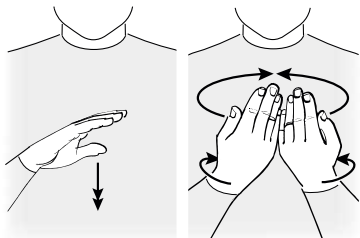

Pino

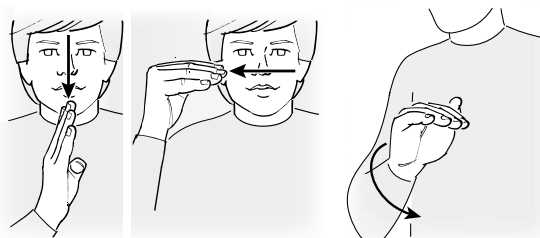

doktor.

Det är många i

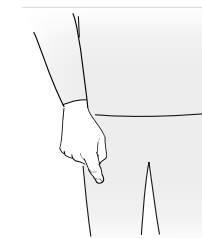

väntrummet.

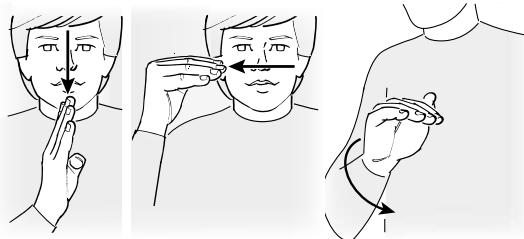

Pinolina har

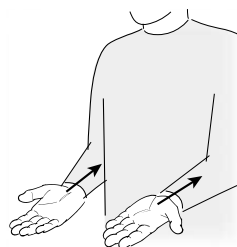

ont i

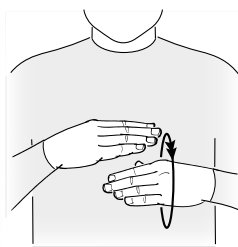

knät.

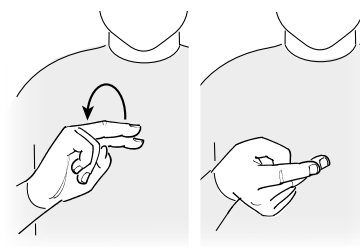

Pinolina

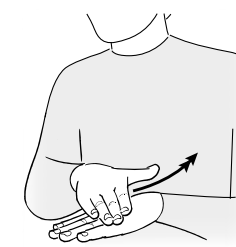

får ett

bandage.

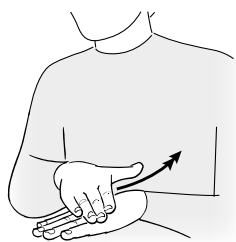

Nästa!

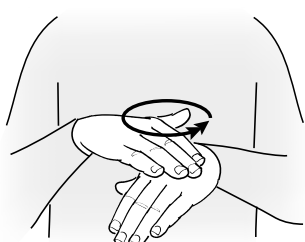

Katten har prickar överallt.

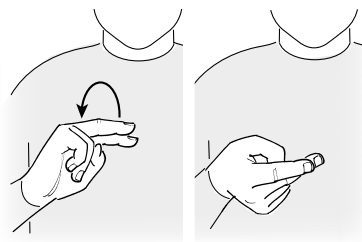

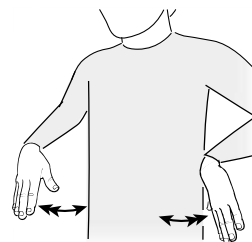

Katten får

salva.

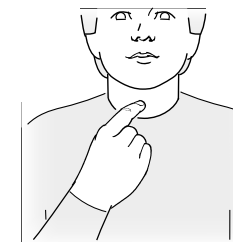

Nästa!

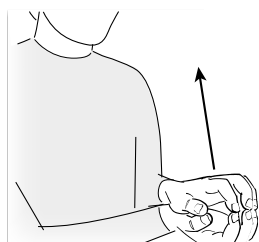

Pingvinen har

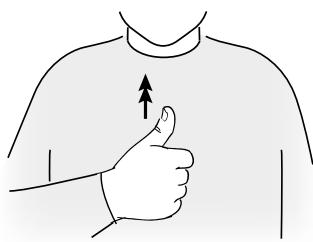

ont

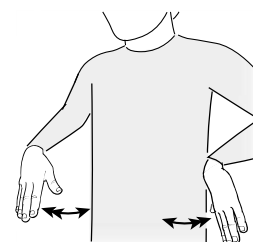

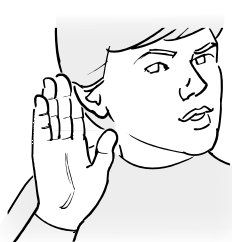

i halsen.

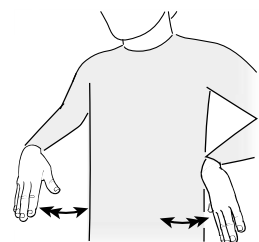

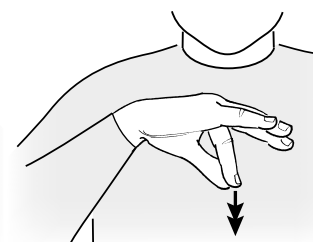

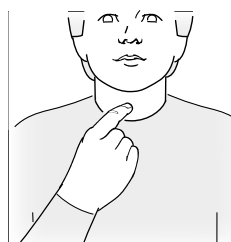

Gapa säger Pino. Hosta.

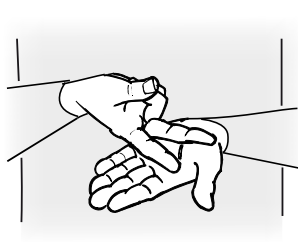

Pino lyssnar.

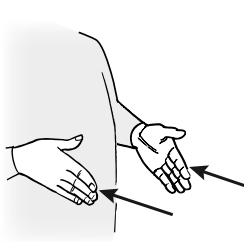

Pingvinen får hostmedicin.

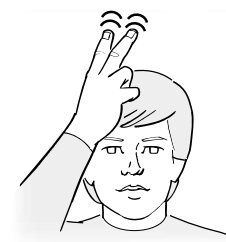

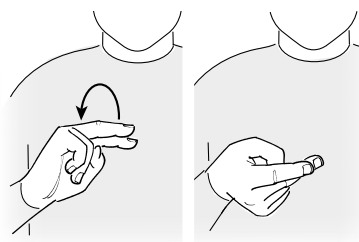

Pingvinen måste ligga i

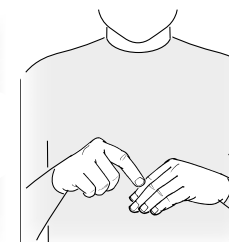

sängen.

Så, då tar vi nästa.

Kaninen har ont

i tassen.

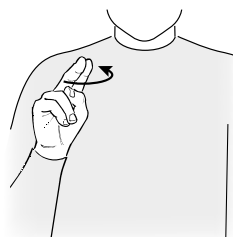

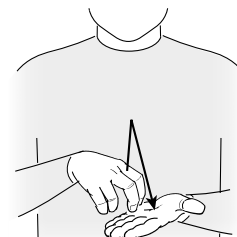

Kaninen

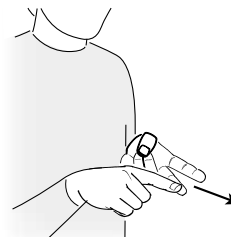

är glad.

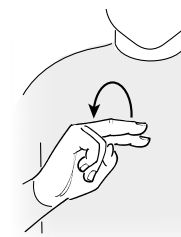

Nu kan han

skutta

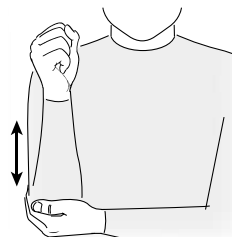

igen.

Nästa.

Dockan

har ont

i fingret.

Pino

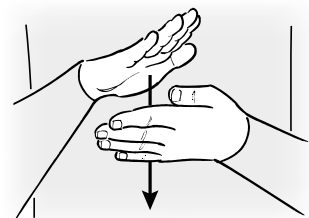

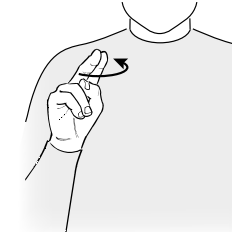

blåser på

fingret.

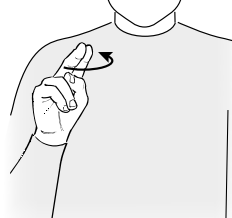

Såja, nu känns det bättre.

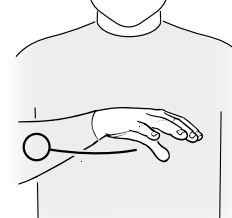

Nu är det tomt i soffan.

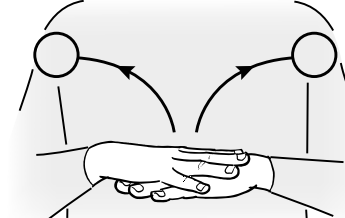

Nu mår

alla

bra igen /friska/.

Hej då!
