

Pino och

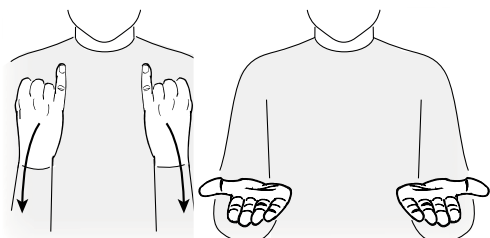

pottan.

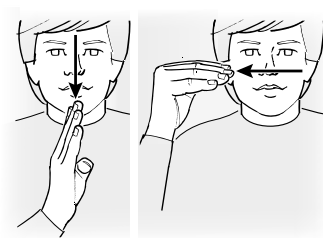

Det här är

Pino.

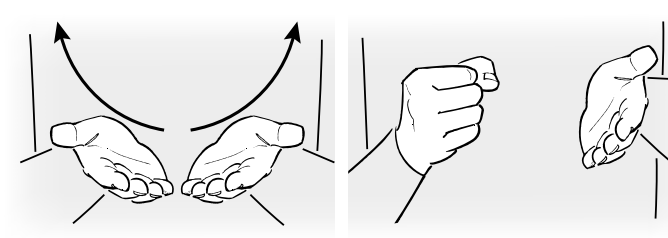

Idag ska

Pino

köpa

en potta.

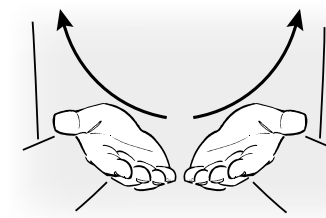

Det ska bli kul.

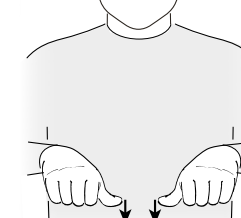

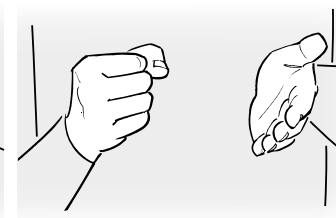

Titta, vad

många

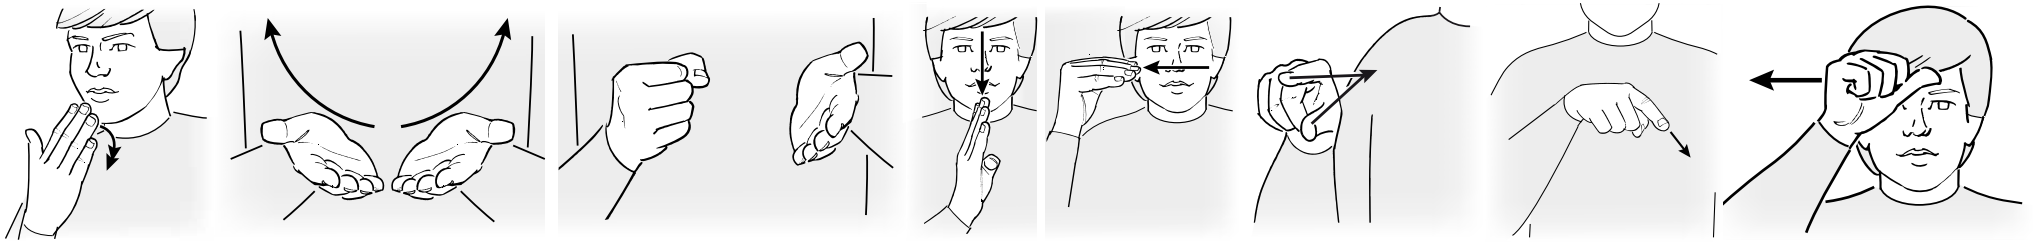

pottor det finns

i affären.

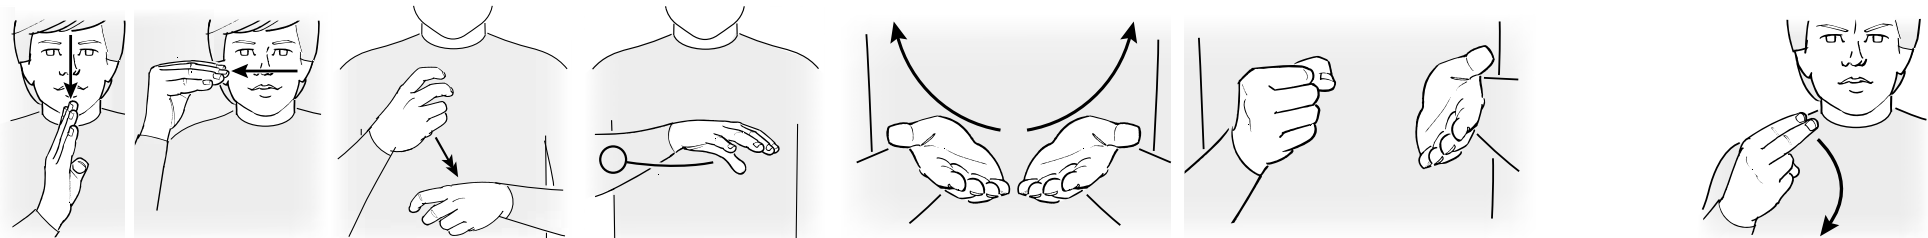

Vilken

potta ska

Pino

välja?

Det här blir svårt.

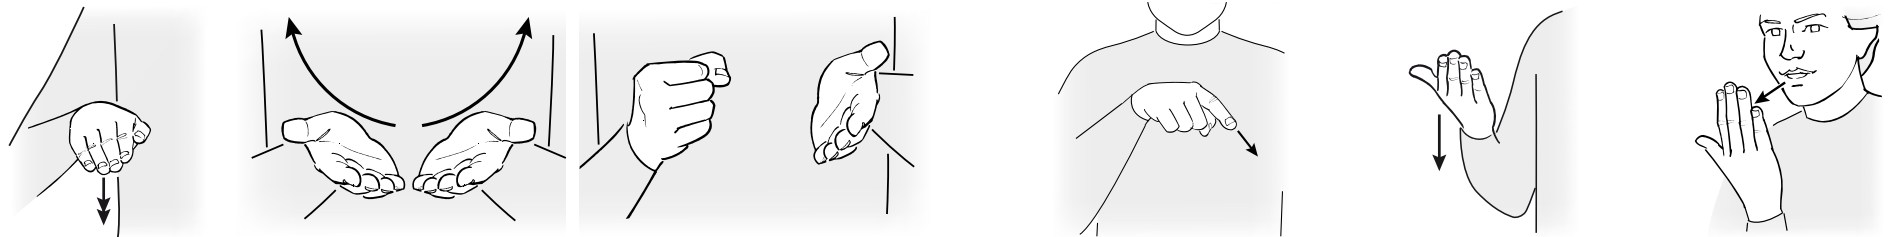

Oj! Pino

provar

alla

pottor.

Nej.

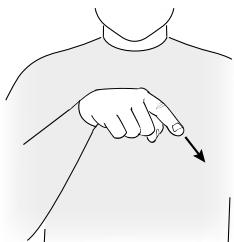

Vilken liten

potta.

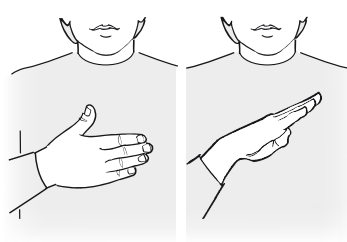

Ah, den här/pottan/ känns

bra.

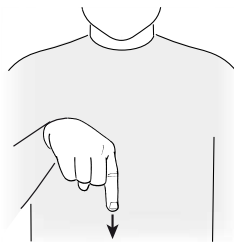

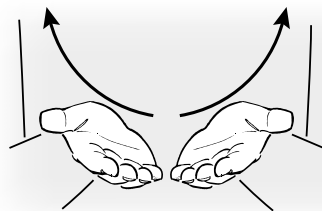

Den

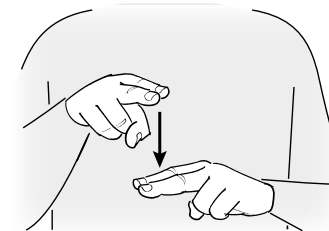

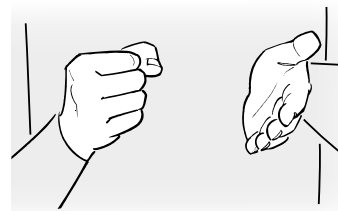

vill /Pino/ ha.

Här ska

pottan

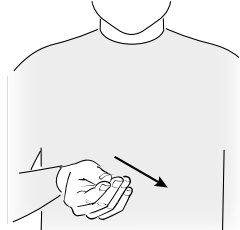

stå /placeras/.

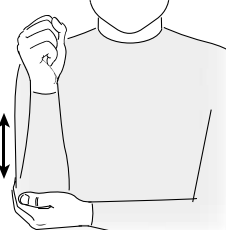

Pino

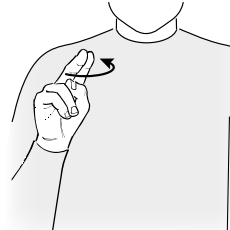

matar

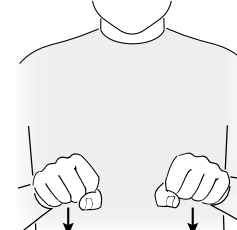

dockan.

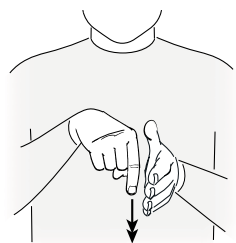

Oj! Nu

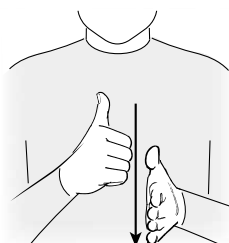

behöver

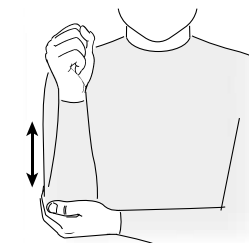

Pino

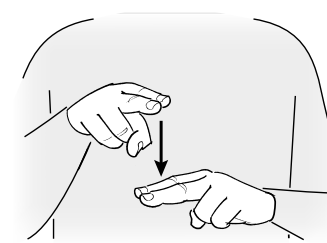

gå på pottan /kissa och bajsas/.

det kommer inget.

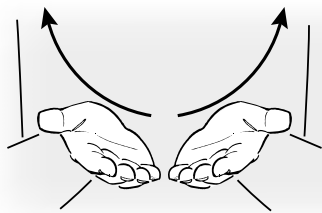

Dockan får

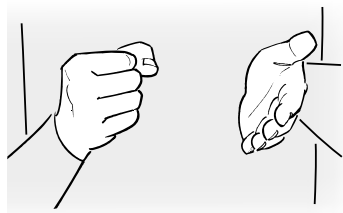

sitta på

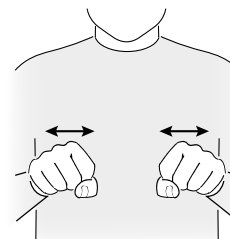

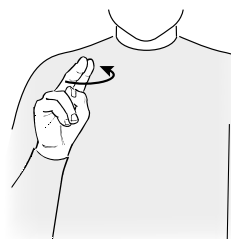

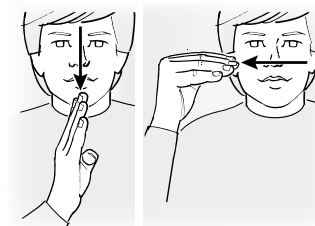

pottan.

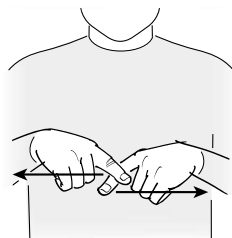

Oj, nu

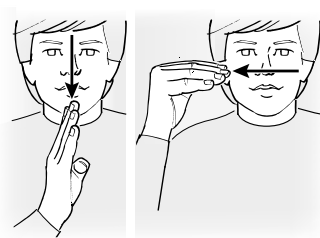

är det bråttom. Pino

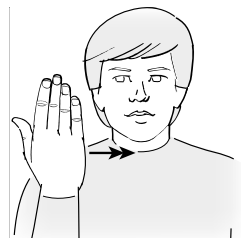

springer

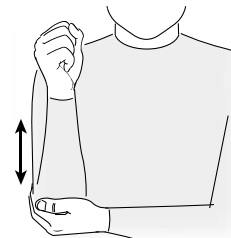

fort.

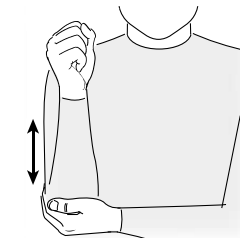

Pino

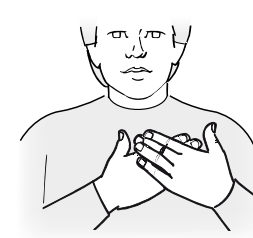

läser en bok för

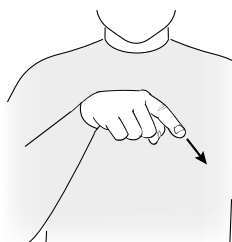

dockan.

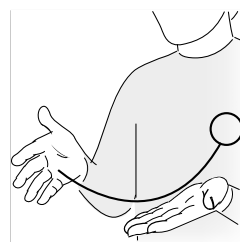

Det tycker dockan om.

Hej då!

Det här gick bra /lyckat/.

Vilken bra

potta.
