

Det här är

Pino.

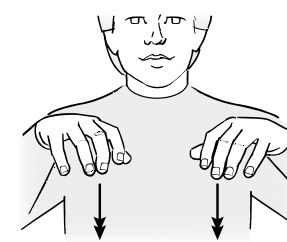

Det är

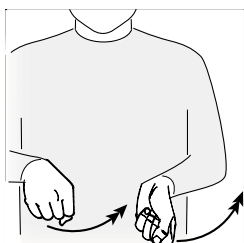

roligt att

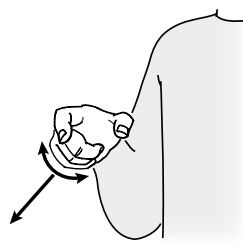

leka

i regnet.

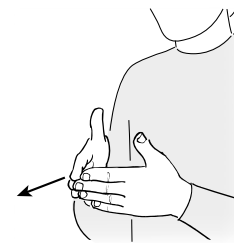

De gräver

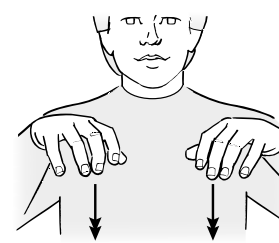

kanaler och

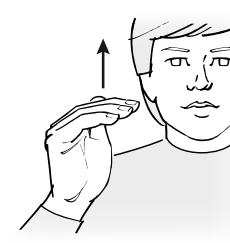

leker med sina

båtar.

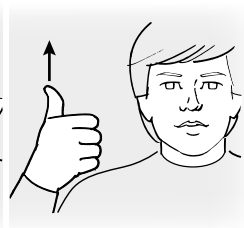

Det regnar

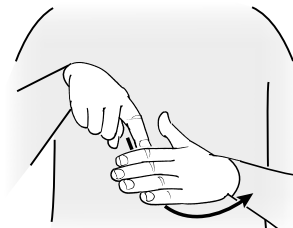

mera.

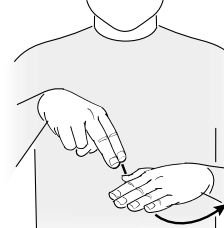

Bäst att

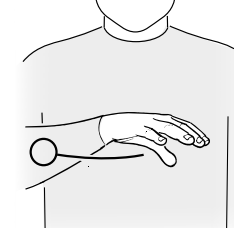

gå in.

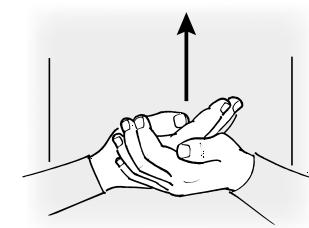

Det är skönt att

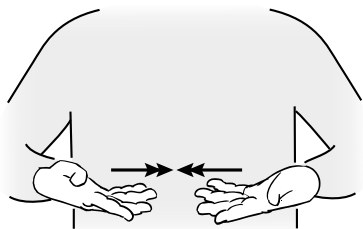

Alla

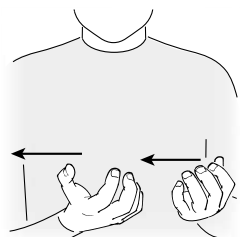

hjälps åt

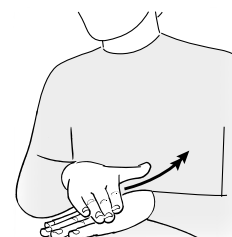

att lägga pussel.

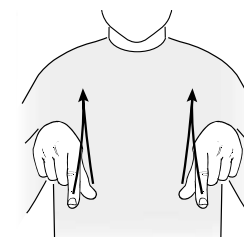

Det fattas

en bit.

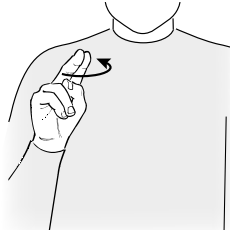

Katten har

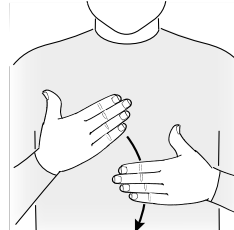

hittat den.

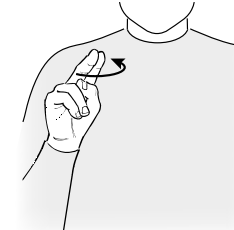

Vilken tur /bra/. Titta!

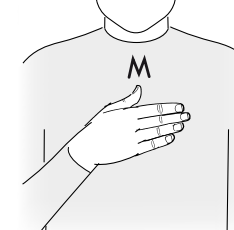

Nu är det

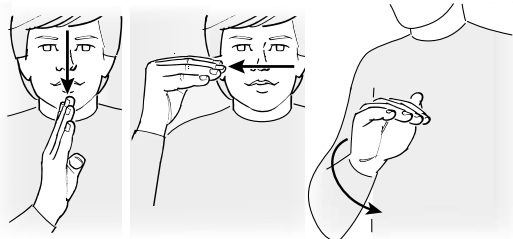

klart.

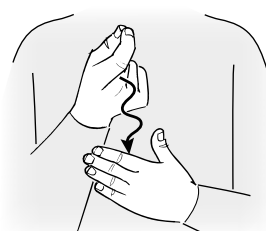

Nu

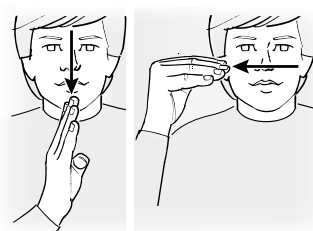

vill

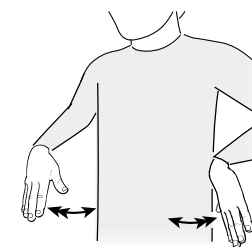

Pinolina

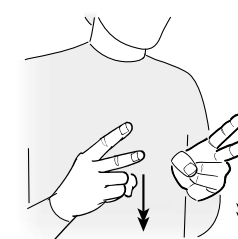

rita.

Det vill Pino och

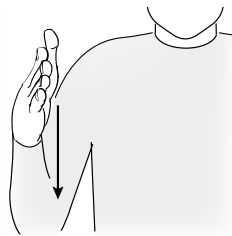

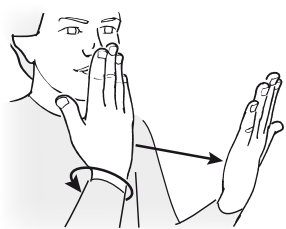

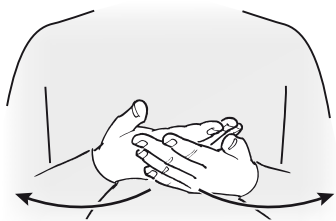

Pingvinen

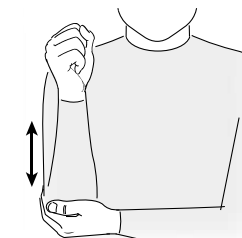

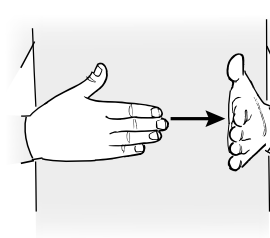

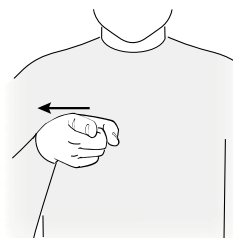

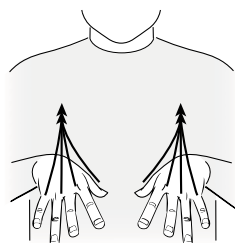

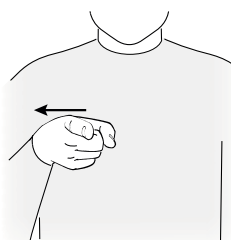

också.

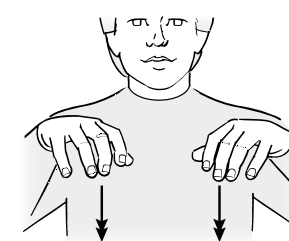

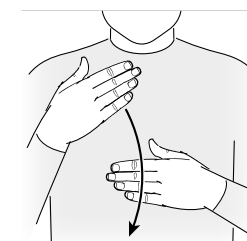

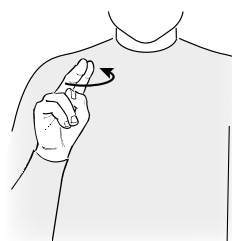

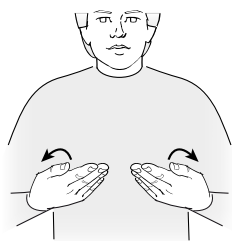

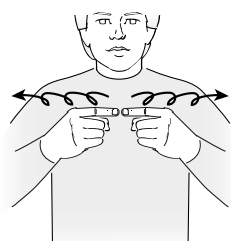

De sätter upp /visar/ bilderna på väggen. Vilka fina bilder det blev.

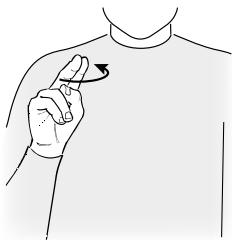

Sen /de/ leker de med lera. De gör /lagar/ mat till dockan.

Spagetti. Varsågod. Titta. Nu har det slutat regna.

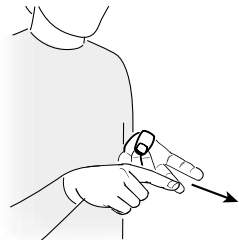

Nu

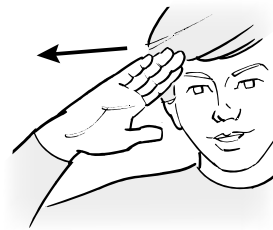

kan de leka

ute

igen.

Hej då!
