

Pinos

trädgård.

Det här är

Pino.

Idag

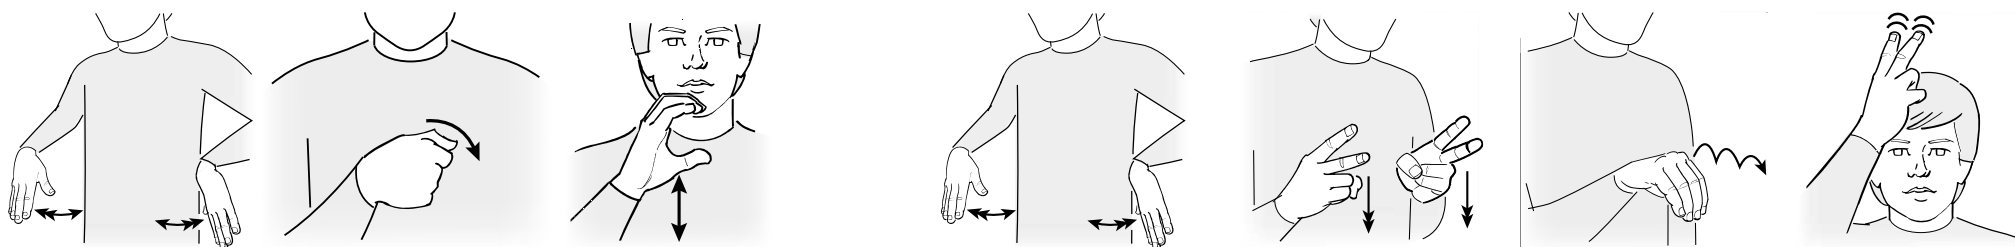

ska Pino

plantera i sin trädgård.

Pino

sår

frön.

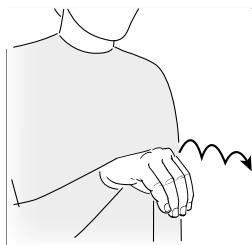

Pingvinen /häller vatten/ vattnar ordentligt. Pingvinen vill också

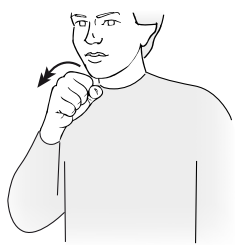

så frön.

Kaninen

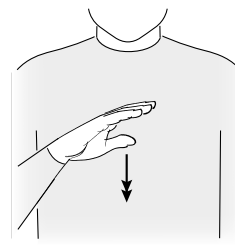

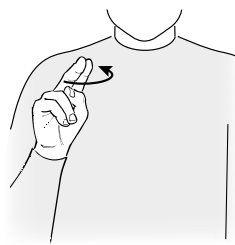

planterar

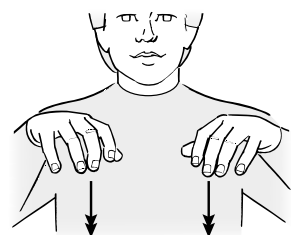

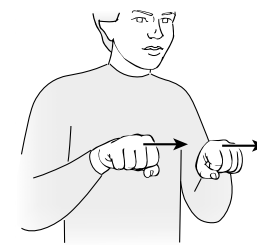

en morot. Så, nu är det bara att vänta.

Pino

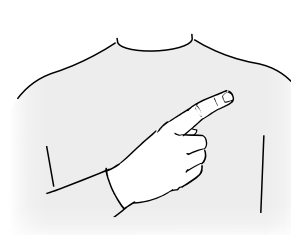

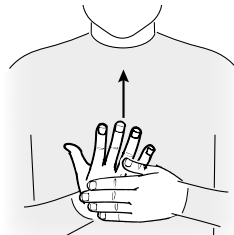

klipper gräset.

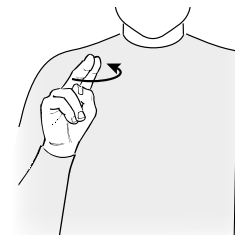

Det regnar.

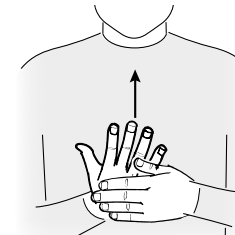

Det är bra för då växer det

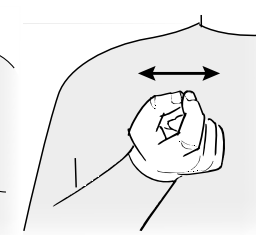

mycket.

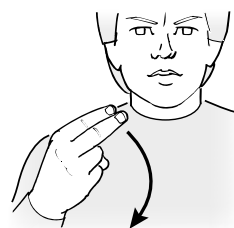

Nu

växer det

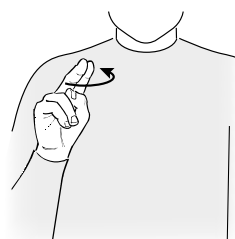

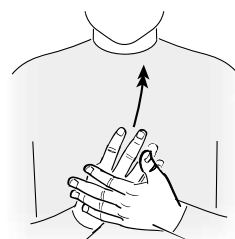

något.

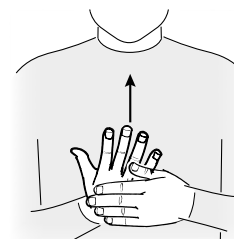

Nej, det var

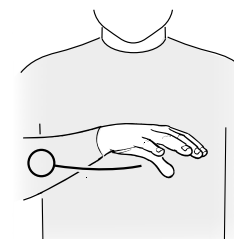

ogräs /o+gräs/.

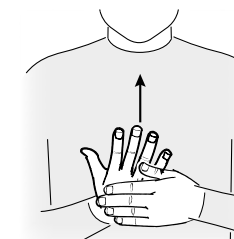

Nu! Nu

växer det.

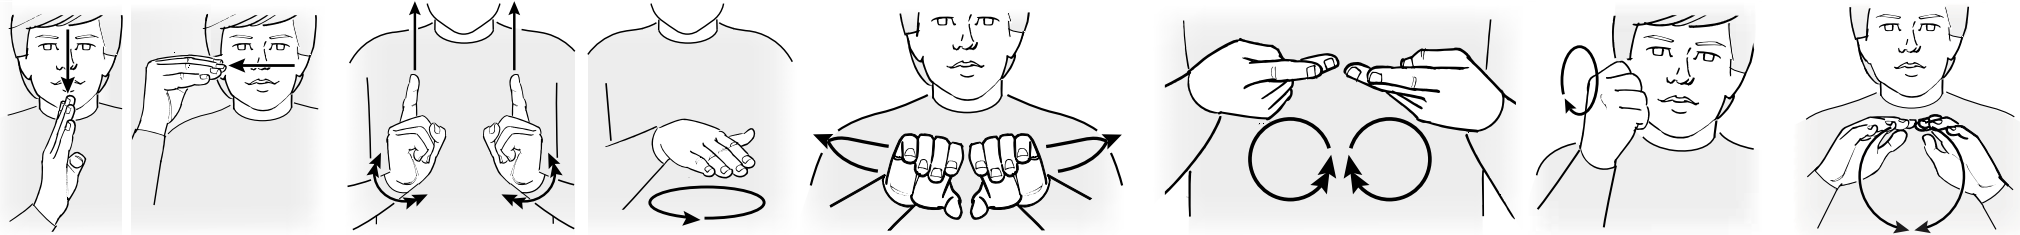

Allt det här

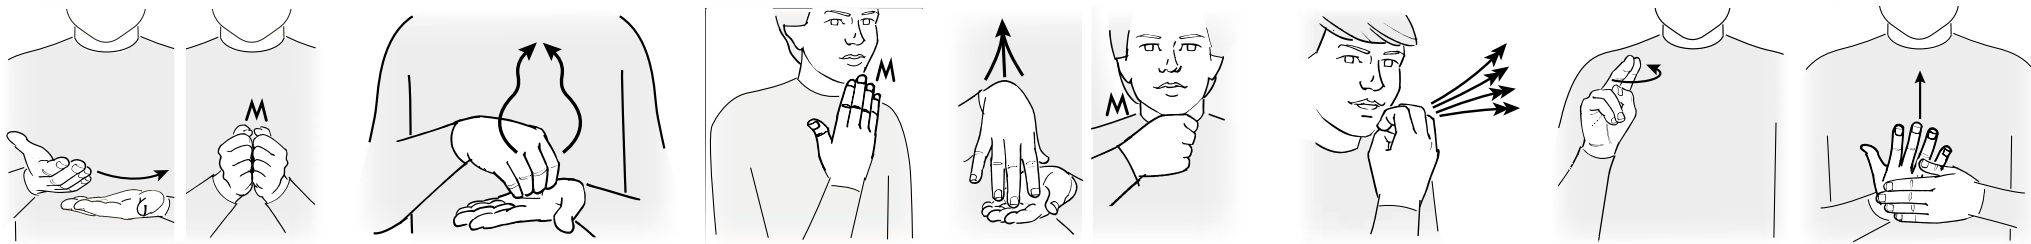

växer i

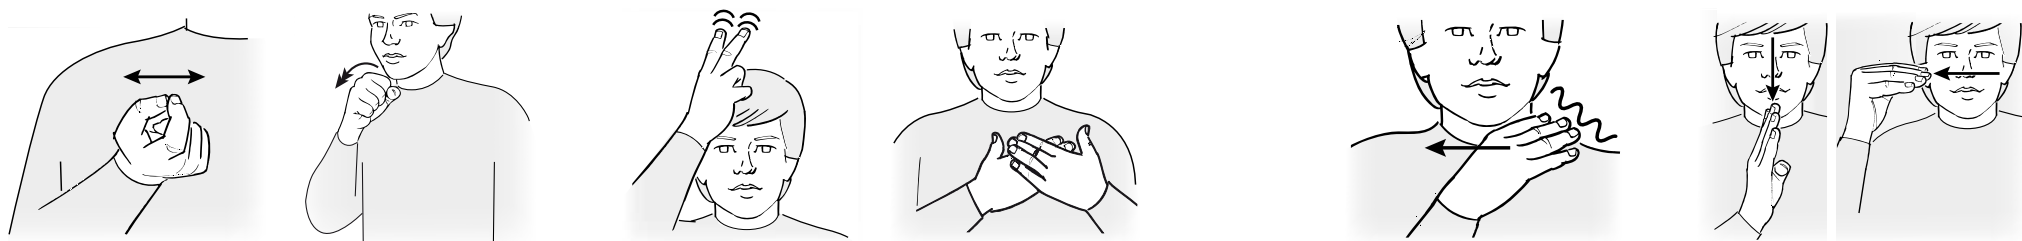

Pinos trädgård, gurka, sallad, äpplen, pumpor

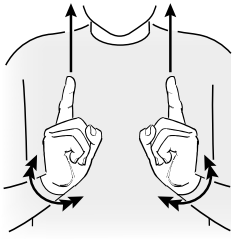

/rund grönsak/ och päron och hallon och jordgubbar, och blommor. Nu kommer /växer/ det

något. En morot, det tycker kaninen /om/ är kul. Oh, vad det är härligt i Pinos

trädgård.

Hej då!
