Questions on the content of the episode

1. Why does Marissa apologize for the messy apartment?
2. Finish the quote: "Earth is just a place where"
3. Why does Marissa think that it is better to live a life believing in afterlife than not?
4. What calms Madison and eases her fear of death?
5. "I'm scared of dying, but I know where I'm going." What does Madison mean with this?
6. What similarities are there, according to Marissa, between for instance Buddhism and Christianity? What differences can you think of?
7. Why is Linda nervous in the beginning of the meeting with Marissa?

Discuss

Overall questions asked by Linda are: How can one believe in something without proof? What other things do people believe in, that cannot really be proved? What do you believe in that you cannot really prove? Why do you think that we sometimes believe in things that cannot be proved, and in other cases really need proof to even consider their relevance?

Key

1. They are moving in.
2. "... I am for just a short amount of time".
3. She'd rather live a life in hope, she hasn't lost anything if she's wrong.
4. She believes that God won't take her until it is time.
5. She's scared of it, but she's at peace with it.
6. Similarities: Be a kind person, the peace factor. Difference: Someone died to save us.
7. She didn't want to say anything wrong and hurt her feelings.
