---

---

### **After Listening: Discuss!**

In the third news story, we found out about an old music trend becoming popular again. Talk with a classmate about this topic, ask each other questions and discuss together! Here are some questions to help you:

How do you listen to music? Do you stream music online? Do you listen to the radio? Do you buy CDs or cassette tapes? Have you ever seen a cassette tape? Do you know what one looks like? What is your favourite song right now? Why? How does your favourite song make you feel?

### **After Listening: Debate!**

In the second news story, we heard about air pollution in London. The campaign group Choked Up is pushing the government to change the law so that people have a legal right to clean air. What do you think about this idea? Who is responsible for making sure air is clean? The government or the individual? Can you think of examples of things the government can do to make the air cleaner? Can you think of examples of things individuals can do to make the air cleaner?

### **Useful Phrases**

In my opinion...

I reckon that...

I think...

I believe...

I agree, because...

I disagree, because...

On the one hand, ...

On the other hand, ...

In my personal experience...

According to the news report...

### **After Listening: Write!**

In the first news story, we learnt about Joe Biden, the new president of the USA. When he was sworn in as a president, lots of Americans celebrated. Imagine a party for swearing in the American president – what kind of food, drinks and activities do you think are typically American? Pretend you went to a party and write a blog post about it. What did people do at the party? What did they eat and drink? What kind of music did they listen to?

## Answers

1. b.
2. it would kill them / it would be bad for them.
3. c.
