## After Listening: Discuss!

In the first news story, we learnt that there is a big rise in the numbers of children with mental health problems in the UK. Maybe they are sad, anxious, or depressed.

Have you or your friends ever felt this way?

What kind of things make you feel happy again?

What can you do if one of your friends is feeling anxious or sad?

What is a good way to cheer up a friend?

Discuss with a classmate!

## After Listening: Debate!

In the second news story, we heard about pupils returning to school. Luke spoke about detention, which is a common punishment in UK schools. Detention is when you have to stay longer at school in the afternoon because you have broken the school rules.

Detention isn't very common in Sweden. Do you think it is a good or bad idea? Should we have detention in Sweden? Give reasons for your answer and include examples.

Pick a side and debate the topic with a classmate:

Detention is a **good** idea. We  
**should have** detention in  
Sweden.

**OR**

Detention is a **bad** idea. We  
**should not** have detention in  
Sweden.
