After Listening: Discuss!

In the first news story, we learnt about greenwashing. That's when companies mislead customers about how environmentally friendly their products are. What do you think about this?

Why is it important to take care of the environment?

What things do you do to take care of the environment? At school? After school? At home?

How do adults around you take care of the environment? Can they do better? Can you?

Why is greenwashing a bad thing? Why do you think some companies use greenwashing in their advertisements? What do you think we should do about greenwashing?
