After Listening: Discuss!

In the second news story, we learnt about the increase in young people vaping. Discuss with a classmate!

Do you think it is common that young people try to break the law?

Can you think of any examples?

Why do you think so many more young people are vaping?

Who is responsible for the increase in young people vaping?

What do you think we can do to decrease the amount of young people vaping?

These words and phrases may help you

I think (that)	On the one hand
I believe (that)	On the other hand, ...
I reckon	In my opinion
If you ask me	As far as I know

After Listening: Write!

In the second news story, we learnt about the increase in young people vaping. Some of those interviewed believed that it is the advertising that has influenced young people to take up vaping. An online magazine for young people has asked you to write an article about advertising and its effects on your choices.

These prompts may help you:

- Introduce yourself! Who are you and where do you come from?
- Where do you see advertisements in your daily life?
- How good are the advertisements you see?
- Have you ever bought something because it was advertised to you?
- Do you think celebrities endorsing products can make young people buy things?
- Do you think we need to make changes? Why or why not? Give examples!
- ...

After Listening: Find Out More!

In the final news story, we learnt about James Bond novels being updated to remove offensive language. Now it is your turn to find out more about them! Research the James Bond novels!

Here are some things you could find out about:

Who wrote the James Bond novels?	When was the most recent James Bond novel published?
How many James Bond novels are there?	What awards has the author of the novels won?
When was the first James Bond novel published?	What is the name of the most popular James Bond novel?

Answers
