

EPISODE 10 – THE DIFFICULT DECISION

Before the episode

A. Work in pairs. Match words and explanations. Draw a line between them.

uncharted	your brother's daughter
parched	when you work to learn an occupation
niece	when you discriminate someone because of age
tie the knot	a party before a wedding for the groom and his friends
engaged	when you are good at getting people to do certain things
take a leap	for example when an area or topic is new to you
internship	to get married
bachelor party	when you have promised to get married to someone
ageism	to take a chance at something
persuasive	you desperately need something to drink

B. Practise the words with a friend. One of you reads the explanation and the other one guesses the word. Take turns!

After watching

A. Choose the right character.

1. Read the statements and write the name of the character it happened to in the episode.
2. Choose from the characters in the box.
3. Not all characters have a matching statement. One character can be chosen more than one time.
4. Compare your answers with a friend.

Holly	Piper	Amy	Heather
Oscar	Robbie	Mrs. Hobbie	Mr. Hobbie
Nate	Holly's grandmother	Holly's grandfather	

Statement	Character
Is tying the knot	
Loses a \$300 check	
Gets offered an internship	
Works hard with wedding preparations and gets parched	
Injures his back on an outing	
Tries to persuade Holly to go to Nashville when she is having doubts.	
Bakes a wedding cake.	

B. Fill in the missing words in Holly's song. Write one letter on each line.

All I wanna _____,

Is where I'm gonna ____.

Don't know where my _____ is.

This is the hardest,

when every road is _____.

I'm sittin' in the back _____.

Standing on my own _____.

Afraid to get started.

And broken-_____.

'Cause every road is uncharted.

C. Sometimes there is a difference between spoken words and written words. You pronounce them one way but write them another. In Holly's song there are some examples of that. How do you spell the following words correctly?

wanna = _____

gonna = _____

sittin' = _____

'cause = _____

D. Abbreviations

In emails, text messages, chats and comments online to our friends we sometimes shorten words to write shorter and quicker, but in other types of texts, for example school assignments, we have to write the words correctly. Do you know these abbreviations (förkortningar)?

For example:

BRB = be right back

LMAO = _____

YOLO = _____

FOMO = _____

FYI = _____

BFF = _____

BTW = _____

LMK = _____

ASAP = _____

OMG = _____

Can you think of more?

_____ = _____

_____ = _____

_____ = _____

E. Pick one of your favourite songs in English and do a gap text like the one above. Play the song in class and ask your classmates to fill in the missing words.
