## After Listening: Write!

Now it is the end of 2023, it is time to make goals for 2024. When we make goals for the next year, they are called **new year's resolutions**.

### Here are some things you can write about

- What do you want to achieve in school next year? Think about subjects, grades, or how you study.
- What books or types of books do you want to read next year? Set some goals for improving your reading.
- How can you stay happy and healthy in 2024? Think about how you want to look after your body and your mind.
- What are your friendship goals next year? How do you want to be a better friend in the new year?
- What kind of things do you do for fun in your free time? Are there any things that you would like to change or get better at?

## After Listening: Find Out More!

New year's resolutions are goals people set for the next year. Do you know what kind of goals are most common in the UK? Now it's your turn to find out more about **New year's resolutions in the UK**

### Here are some things you could find out about:

What are the top 3 resolutions?	What resolutions have to do with physical health?
What resolutions have to do with money?	What resolutions have to do with mental health?
What resolutions have to do with work?	What is the best resolution, according to you?
