After Listening: Discuss!

In the second news story, we learnt about young people feeling pressured to buy anti-aging creams.

Discuss with a classmate.

- Why are some kids using anti-aging creams? Do you think anti-aging creams are okay for young people to use?
- Can you think of examples of social media influencers? Where are they most active?
- How do social media influencers influence young people? Have you ever felt influenced to buy something you have seen on social media?
- What do you think about beauty standards for girls? What about beauty standards for boys?
- Do you ever talk to friends about how you look?
- Have you ever spoken to parents or teachers about beauty standards for girls or boys?
- Do you think children need to be protected from social media influencers? How can we do this?

These words and phrases may help you

I think (that)	On the one hand
I believe (that)	On the other hand, ...
I reckon	In my opinion
If you ask me	As far as I know

After Listening: Write!

In the second news story, we learnt about young people feeling pressured to buy anti-aging creams. A magazine for young people has asked you to write a short text about this topic. They want to know what young people in Sweden think about this topic.

Here are some things you can write about

- Is it important to be happy with your natural appearance?
- Have companies or influencers tried to sell products to you? How did you feel about this?
- How does social media make young people feel about their appearance?
- Do you think it is safe to use anti-aging creams if you are young?
- How can we help young people in Sweden feel happy with the way they look?

After Listening: Find Out More!

In the final news story, we learnt about Sophie Ellis-Bextor's song. Now it is up to you to find out more about **Sophie Ellis-Bextor**

Here are some things you could find out about:

Where is Sophie Ellis-Bextor from?

When did she release *Murder on the Dancefloor*?

What is Sophie Ellis-Bextor's birthday?

How popular was the song when she released it?
