### Quick Quiz

You can find similar questions with multiple choice options in <https://urplay.se/program/235512-newsreel-2024-02-10/quiz>

## After Listening: Discuss!

In the second news story, we learnt about misinformation about climate change being spread on the internet. Discuss with a classmate!

- Have you ever read any fake news? What was it? Did you believe it?
- Why do you think people spread fake news? Are there good reasons? Are there bad reasons?
- How do you make sure you do not get tricked by fake news?
- Who do you think is better at dealing with fake news – adults or young people? Why?
- What have you learnt about fake news in school? Do you think teachers can do a better job helping their students deal with fake news?
- What do you think parents or other grown-ups should do to help young people deal with fake news?

### These words and phrases may help you.

I think (that)	On the one hand, ...
I believe (that)	On the other hand, ...
I reckon	In my opinion
If you ask me	As far as I know

## After Listening: Write!

In the second news story, we learnt about misinformation about climate change being spread on the internet. A magazine for young people wants to know what experiences and advice young people in Sweden have about dealing with misinformation and fake news online. Write a blog post for them.

### Here are some things you can write about

- Do you always believe everything you read online?
- Do you think people always believe everything they read or see online?
- Where do you get your news or information online? Do you think it is reliable? How can you check?
- Why do you think people make fake news? How can we avoid getting tricked?
- What questions can you ask if you want to check that something is reliable?
- How can you make sure that you don't spread fake news or misinformation?

## After Listening: Find Out More!

In the final news story, we learnt about the reaction online to the Barbie movie. Now it is up to you to find out more about **The Barbie Movie!**

### Here are some things you could find out about:

When was the Barbie movie released?

What awards has the Barbie movie won?

How did the Barbie movie do in the box office?

Who are the main actors in the Barbie movie?
