After Listening: Discuss!

In the second news story, we learnt about young people's mental health in the UK. Discuss with a classmate:

- What do you think of when you hear "mental health"?
- Can you think of times in your life when you felt happy, sad, stressed, or worried? What situations made you feel like that? What did you do to feel better about these things?
- Do you think it's important to talk about your feelings with friends, family, or adults? Why or why not?
- Imagine you see a friend looking sad or acting differently. What would you do or say?
- Have you ever heard of words like "bullying," "peer pressure," or "stress"? What do you think they mean and how might they affect young people?
- Do you think parents and teachers should do more to help young people's mental health get better? What ideas do you have?

These words and phrases may help you.

I think (that)	On the one hand, ...
I believe (that)	On the other hand, ...
