D. Answer the questions

1. In the beginning of the series Elijah, Ruby and Cleo are classmates, but not friends, and they hardly knew anything about each other. Has that changed now? Describe how they are towards each other now and give some examples.

2. Elijah never swears but Ruby and Cleo do. Do you swear a lot? In what situations is it okay to swear and when is it not?

3. Ruby and Elijah has lost sight of Cleo in the forest and they don't have any reception on their phones. What would you do if you were in their situation, lost in the forest without a working phone?

4. Who do you think the dodgy couple in the forest are?

E. Share your answers and discuss the questions in class.
