My Favourite Song Yan Zhi Chavee

Lina Lehn:

Do you've got a favourite song you listen to when you play? Yan Zhi Chavee's favourite song makes him think of war.

Yan Zhi Chavee:

My name is Yan Zhi Chavee. I live in Brooklyn New York. My favourite song is "We Will Rock You"

Queen "We Will Rock You"

*Buddy you're a boy make a big noise
Playing in the street gonna be a big man some day
You got mud on your face
You big disgrace
Kicking your can all over the place...*

*...Buddy you're a young man hard man
Shouting in the street gonna take on the world some day
You got blood on your face
You big disgrace
Waving your banner all over the place*

Yan Zhi Chavee:

I just like how they have so many people and they are like all singing at the same time about one song. So it's almost like a war.

Pamela Taivassalo:

Like a war?

Yan Zhi Chavee:

Yes. One person, I think, is saying like *"I have blood all over my face"* and also another time he is saying "I had blood all over my face", so that's how it seems to me like a war.

Queen "We Will Rock You"

*...Buddy you're a young man hard man
Shouting in the street gonna take on the world some day
You got blood on your face
You big disgrace
Waving your banner all over the place...*

Yan Zhi Chavee:

It doesn't really make me feel anything, although it makes me feel like I want to go with the, like, rhythm.

Pamela Taivassalo:

It has a very good rhythm to it. Can you do the clapping the way they do it for me now?

Yan Zhi Chavee:

It's actually more of a stomping.

Pamela Taivassalo:

Ok. Stomping?

Yan Zhi Chavee:

Yes!

Pamela Taivassalo:

What do you do when you come home from school?

Yan Zhi Chavee:

Mostly homework and sometimes when I have spare time I do like activities, sometimes making Lego and sometimes like just drawing and watching TV.

Pamela Taivassalo:

What's your favourite Lego?

Yan Zhi Chavee:

It's pretty much all of them.

Pamela Taivassalo:

What's the best thing ever you made with Lego?

Yan Zhi Chavee :

I haven't made it yet, but I'm going to make the Millennium Falcon.

Pamela Taivassalo:

Star Wars?

Yan Zhi Chavee :

Yes.

Pamela Taivassalo:

Is it a lot of pieces?

Yan Zhi Chavee :

1245 pieces.

I just like how they make the designing to the Star Wars, because it really looks real.

Lina Lehn:

The British rock band the Queen is one of the world's [best-selling music artists](#). They have sold over 300 million albums. Yan Zhi Chavee's favourite song We will rock you is from their album News of the World from 1977.

The Queen's front man Freddy Mercury died of aids in 1991

Ingela Håkansson was our sound engineer; the program was produced by Pamela Taivassalo and by myself, Lina Lehn.
