# My Secret Land 4 Gaby

## Script and Word list

### *Signature*

Well, my name is Gaby Rutherford and I'm 12 and I live in a really big country. I live in the biggest city there with nine million people.

### *Sound from subway:*

*"This is Bergen Street. Transfer is available to the G train."*

And it's really really busy and crowded and so many skyscrapers and tunnels and subways and lots of people.

### *Music: Miley Cyrus – Party in the USA*

*"I hopped off the plane at LAX with a dream and my cardigan,  
Welcome to the land of fame, excess..."*

A lot of tourists come to the city that I live in – but I never really do any of the touristy things that we have here. But once I went to the Statue of Liberty – when I was four – and my nanny took me, but I fell asleep the entire time.

### *Distant voice: "Welcome, may I take your order please?"*

*"Hambu-hambu-hamburger. Cheeseburger, cheeseburger,  
cheeseburger..."*

I really like Chinese food, Italian food and Thai food because they're really exotic compared to the foods that are more commonly known in my country, like hot dogs and hamburgers.

### *Music: The Pains of Being Pure at Heart – A Teenager in Love*

My country is a really big mixture of tons of people and they come here because they either have poverty in their country or they don't feel that they have enough religious freedom, and I personally really like having tons of people.

**subway** tunnelbana

**crowded** trångt, mycket folk

**The Statue of Liberty**

**nanny** barnflicka, au pair

**commonly** vanlig

**mixture** blandning

Have you guessed where I'm from yet? No? Keep trying!

*Distant voice: "The only reason I'm standing here today is because somebody, somewhere, stood up when it was risky..."*

Well, in my country we have a new black president. And I think it's really cool that we have a black president. And he has a daughter who is my age, and she gets to live in the White House, and it's really cool because I would just love to live there with body guards and, like, they have secret passage ways there...

**body guards** *livvakter*  
**secret passage ways**  
*hemliga gångar*

*Music: The Star-spangled Banner*

When I turn 18 I get to vote for a president and I really hope that it will be a woman, because we haven't had a woman president yet. But I also hope that she is gay and Jewish, because that would be even cooler.

**gay** *homosexuell*  
**Jewish** *jude, judisk*

*Music: Vivian Girls – The Desert*

*Sound: Ring tone*

"Hey!"

"Hey, it's us, can you let us in."

"Come on!"

Me and my friends usually hang out after school and when we're together we commonly listen to music.

**hang out** *hänga*  
**commonly** *vanligtvis*

*Music: Alicia Keys – Empire State of Mind*  
*"There's nothing you can't do,*  
*Now you're in New York,*  
*These streets will make you feel brand new,*  
*The lights will inspire you,*  
*Let's hear it for New York"*

I really like to play sports. I like to play soccer the most, because it gets... it's really active and you get to hang out with your friends while still doing a really fun activity.

**soccer** *fotboll*

*Sounds: Laughter, football kicking*

But people in my country mostly like sports like basketball, baseball and football.

**football** *amerikansk fotboll*

*TV commentator:*

*"Cardinals lead! Touchdown! You gotta be kidding me!"*

**kid** *skoja*

*From the movie Charlie's Angels:*  
*"Eduardo, move me!"*

I watch a lot of movies with my friends and there's a really big movie and TV star actress, Cameron Diaz, and I saw her once and I really wanted her to sign my cast – cause I had recently broken my arm. And she did! And I was so happy and I still have her signature on my cast. And it's in a drawer somewhere in my room...

**actress** skådespelerska  
**cast** gips  
**signature** autograf

*From the movie Charlie's Angels:  
"Thanks, I..."  
"No problem."*

I think you know where I'm from, now.

*Drumroll*

That's right. I'm Gaby Rutherford and I live in New York City in the United States of America.

*Music: Miley Cyrus – Party in the USA  
"Yeah, it's a party in the USA"*

*End signature*

Well, thanks for listening. Bye!
