Music "Love Me" by Justin Bieber

Owen: Hi, My name is Owen Lucier and I'm 10 years old. I come from the second biggest country in the world. But the town that I live in isn't that big. It's called Elmira. I live there with my mum, my dad, my sister Sarah and my brother Evan.

Sarah: Hi! I'm Sarah and I'm Owens sister and I'm 8 years old!

Sounds: Street in a small town. Organ playing

Owen: One of the biggest events that happen once a year in Elmira, where we live, is the Maple Syrup Festival. And during this festival the main street shuts down and we have a festival there, and eat all things with maple syrup.

Sarah: Like Pancakes, Apple Fritters, Waffles, tarts, candy and even burgers! Everything with maple syrup on it. I love it!

And yeah. There are so many maple trees where we're from so that we even have a maple-leaf on our flag!

Music "Thriller" by Michael Jackson

Owen: Another big event that we're excited about that happens once a year is Halloween. I'm so looking forward to it! We dress up in costumes and go from house to house and say trick or treat.

Sarah: And you bring a bag around that you can fill with candy and chips that you'll get, and if you're lucky you'll even get a cookie.

Sarah and Owen: So, where do you think we're from?

Music: "Tout L'Or Des Hommes" by Celine Dion

Owen: Most people in our country speak English but a lot of people speak French too.

Sarah: And yeah, then there's really small languages as well that some of the native people speak.

Owen: Some people might call the native people Indians but it's not really okay to use the word Indians. They would prefer if you'd say native Americans.

Sarah: We've actually got a relative who's a native. He's called uncle Gerry and he's the best fisherman and best hunter in the world. He always knows all the best fishing spots and often comes home with moose or deer that he's shot.

Sounds: rifleshot

Owen: Our winters are often freezing with lots of snow. During winters I like to build snow forts with different compartments with tunnels between them.

Sarah: And then we have snowball fights!

During the winters I also like to go figure skating.

Owen: And I like to play ice-hockey. And my favourite team that I support is the Toronto Maple Leaves. My favourite player is actually a Swedish guy called Mats Sundin that used to play for the Toronto Maple Leaves. He's the best!

Sounds: Mats Sundin scores for the Toronto Maple Leaves.

Sarah: Apart from figure skating I really like music. My favourite artist from my country is Justin Bieber. And he's from a town only 30 minutes hour away from where we live. My favourite Justin Bieber-song is Baby!

Sarah and Owen: Ok, have you guessed where we're from already?

Owen: If you haven't, I can as a final clue say that our country begins with the letter "C" and is located north of the United States.
