AMIRA TIME

DIALOGMANUS

HARRY

I can see through my hand.

YEMI

What are you talking about?
Can you help me with this
crossword puzzle instead? I
need a word that starts
with an x. Extra?

HARRY

Extra doesn't start with an
x. Extra starts with an E

YEMI

Mmm...

HARRY

It's Amira time?

YEMI

Amira time? That doesn't
start with an x!

AMIRA

It's me! Excited to see me?

YEMI

Excited? No!

AMIRA

No?

YEMI

Excited doesn't start with
an X.

HARRY

It starts with an E.

AMIRA

Do you need a word that
starts with x?

YEMI

Yes.

AMIRA

Oh, you're doing a
crossword puzzle?

YEMI

Mmm...

AMIRA

I was at the hospital.
That's why I'm late.

YEMI

The hospital?

AMIRA (O/S)

I was on the phone with
Natalie when I walked into
a lamp post.

AMIRA

I hit my head, it really
hurts.

DOCTOR

Okay.

AMIRA

I'm tired. I need to lie
down.

DOCTOR

No, don't lie down. Sit up!
I'm going to examine you.

AMIRA

Okay.

DOCTOR

Keep your eyes on my
finger.

DOCTOR (CONT'D)

Lift your left arm!

AMIRA

Okay.

DOCTOR (CONT'D)

That's right.

AMIRA

Good!

DOCTOR

No, that's your right arm.

AMIRA

Yes, my right arm.

DOCTOR

That's wrong. You should
lift your left arm.

AMIRA

This is not easy. My head
hurts. Left arm.

DOCTOR (CONT'D)

Good. Now you can take down
your arm and stand up.

DOCTOR (CONT'D)

Lift your left leg!

DOCTOR (CONT'D)

That's right!

AMIRA

Good!

DOCTOR
No, that's your right leg.

AMIRA
Yes, my right leg.

DOCTOR
That's wrong. You should
lift your left leg.

AMIRA
Oh! My left leg.

YEMI
Are you all right now?

AMIRA
Yes thanks! Excellent!

YEMI
Excellent? No, that doesn't
start with an X.

HARRY
It starts with an E.

HARRY (CONT'D)
I can see through my hand.
All the bones..

AMIRA
Like an x-ray check!

YEMI
Yes! X-ray! THAT's *the* word
that starts with an x!

AMIRA
Now you are excited, Yemi!

YEMI

Yes, very excited!

HARRY

Excited that doesn't start
with an X. It starts with...

AMIRA/YEMI

We know Harry, it starts
with an Eeee...
