YEMI

That's high.

HARRY

That's very high.

HARRY

It's very, very high.

HARRY

Please be careful, Yemi!

YEMI

Oh, it's time for someone to come.

HARRY

Oh, I hope she's careful...

HARRY

It's Amira time...

AMIRA

Harry I'm so sorry! Let me help!
I just had lunch. That's why I'm late.

ISABELLA

It's so hard!

AMIRA

I know! They have so much to choose from!

ISABELLA

No, I mean, where are the vegetables?

AMIRA
Are you a vegetarian,
Isabella?

ISABELLA
No, I'm a *vegan*.

AMIRA
Vegan? What's that?

ISABELLA
I don't eat anything that
comes from animals!

WAITER
Ladies, would you like to
order?

ISABELLA
Do you have any food that
doesn't come from animals?

WAITER
Well, we have omelettes...

AMIRA
But omelettes have eggs in
them.

WAITER
Yes?

AMIRA
But eggs come from animals!

WAITER
How about a cheese salad...?

ISABELLA
Cheese comes from animals!
I'm a *vegan*!

WAITER

I know what a vegetarian
is.

AMIRA

She's not a vegetarian.
She's a vegan!

WAITER

Aha! A vegan, I see!
(Pause) We have a vegetable
soup!

ISABELLA

Great!

WAITER

You'll love it! It's so
thick and creamy!

AMIRA

Creamy?

WAITER

Yes, very creamy!

ISABELLA

So, there is cream in the
soup?

WAITER

Yes!

ISABELLA/AMIRA

Ooooh...

YEMI

Did you get any soup?

AMIRA

Yes, a soup without any
cream of course.

HARRY

Without cream?

AMIRA

Yes, cream comes from
cows.

HARRY

Ah, right. She was a
vegetarian.

AMIRA

VEGAN!

AMIRA

Sorry, Harry. It was a great
tower.

YEMI

Yes, it was.

HARRY

I know what to do.

YEMI

Smart, Harry!

HARRY

Now the tower is Amira
proof.

AMIRA

Ha, ha!
