## DIALOGMANUS

HARRY  
Orange?

YEMI  
Thanks!

YEMI  
Delicious!

HARRY  
Say it, don't spray it.

YEMI  
Sorry!

HARRY  
Yemi!

YEMI  
Look! It's Amira time!

AMIRA  
Hi guys!

HARRY  
Amira, you look terrible!

YEMI  
Not *that* terrible!

AMIRA  
I'm sick.

HARRY/YEMI  
Sick?

AMIRA  
I have a bad cold. So I really need some tea. And love.

YEMI

Yes, it's important to  
drink a lot when you have a  
cold.

HARRY

No hugs! I don't want to  
catch your cold.

AMIRA

Do you want to know how I  
got sick?

YEMI

Of course!

AMIRA

I didn't get any sleep last  
night. That's why I'm late.

AMIRA (O/S)

My neighbour is singing all  
the time. Morning, day,  
afternoon, evening. And  
night...

AMIRA

It's the middle of the  
night. I can't sleep with  
you singing.

AMIRA

Hello!

MAN (O/S)

Yeeees! What do you want?

AMIRA

It's me, Amira. Your  
neighbour. It's the middle  
of the night. I can't sleep  
with you singing.

MAN (O/S)  
I'm sorry. I'll stop  
singing now.

AMIRA  
Thank you!

MAN (O/S)  
I'm practicing for a show.

AMIRA  
I love your singing. But  
not in the middle of the  
night.

MAN  
Mmmm...

AMIRA  
Good luck with your show.

MAN  
Thank you!

AMIRA  
Hello! Hello!

MAN (O/S)  
I HAVE STOPPED SINGING.  
Good night!

AMIRA  
I know. But the door is  
locked. I can't get in.

AMIRA  
I was locked out the whole  
night. It was very cold.

YEMI

The whole night? No wonder  
you have a cold.

AMIRA

And now I'm sneezing all  
the time.

HARRY

Here, have some orange.

YEMI

There's vitamin C in  
orange. That's good for  
your cold!

AMIRA

Thanks guys!

YEMI

But how did you get in?

AMIRA

A neighbour finally let me  
in.
