awake	basket
joking	blueberries
woods	picking
suddenly	almost
noise	comfy
see	sofa

## DIALOGMANUS

HARRY

What, what... what's going on?

YEMI

Sorry Harry, I just couldn't help it. And you know, it's...

HARRY

It's what?

YEMI

It's Amira time!

AMIRA

What's wrong, Harry? You look chocked!

YEMI

Harry was asleep.

HARRY

Well I took a nap. I'm so tired. But someone woke me up.

AMIRA

Well, I have a story that will keep you awake.

HARRY

Really?

YEMI

Tell us!

AMIRA

I met a bear today.

HARRY

A bear?

YEMI

You're joking?

AMIRA

No, I'm not joking. I met a bear. That's why I'm late.

AMIRA (o/s)

I was walking in the woods. Suddenly I heard a noise. But I couldn't see anything.

AMIRA

What's that? What could it be?

AMIRA

It's probably just a squirrel.

AMIRA (CONT'D)

But what if it's a bear?

AMIRA (CONT'D)

*It is a bear. Help!*

AMIRA (CONT'D)

BEAR! BEAR!

MAN (O/S)

BEAR! BEAR!

MAN

Sorry! Are you all right?

AMIRA

I'm fine. Are you Ok?

MAN

Yes, but I'm looking for  
Bear.

AMIRA

So there is a bear?

MAN

Yes.

MAN

There you are, Bear!

AMIRA

Bear? Where?

MAN

Right here.

MAN (CONT'D)

This is my dog. His name is  
Bear.

AMIRA

Hello Bear! You're such a  
cutie.

YEMI

So it wasn't a real bear?

AMIRA

No Yemi. It was a dog. The  
dog's name was Bear.

HARRY

Bear! That's a great name  
for a dog.

YEMI

So this man with the dog,  
was he a hunter?

AMIRA

Yes.

HARRY

He was? Was he hunting for elk?

AMIRA

No. He was only hunting for mushrooms and berries.

HARRY

Mmm... mushrooms and berries. I love that.

AMIRA (CONT'D)

And he gave me a basket full. Look!

HARRY

Yummy!

AMIRA

Have some berries.

YEMI

Thank you!

AMIRA

It's so great that you can go mushroom and berry picking in Sweden. Almost anywhere.

YEMI

Maybe we can go mushroom picking together?

AMIRA

Yeah, I'd love to.

HARRY

Yes, you guys do that. I'll stay here in the comfy sofa. And take a nap.
