Hi, Welcome to Newsreel Easy! I'm Kate Holland

Coming up:

- What are people doing to help those escaping war in Ukraine?

*I'd like to say that I'd help a refugee family as much as I can*

But first:

#### **Wildfires**

The UN has warned that we could see more wildfires around the world.

Wildfires are fires which spread through forests and grasslands.

Last year, smoke from wildfires in Siberia reached the North Pole for the first time.

But scientists say, there could be 50 per cent more fires by the end of the century. They blame climate change and rising temperatures.

#### **Ukraine refugee crisis**

Thousands of people are escaping from Ukraine every day. More than one million people left Ukraine in the first week of the war.

There is a big campaign happening around the world to help these refugees. People in the UK are also working hard to offer their support.

*Maureen: It's the least I can do. I needed to do my bit.*

That was Maureen speaking to the BBC, she is helping at a donation centre in Cumbria, in North West England.

*donationscentrum*

She is helping refugees by collecting food and clothing. Collected items will be driven to refugee camps in Poland and handed out.

**collected**

But some people think the UK should be doing more to help.

*föremål*

Here's the MP Mark Harper speaking on the BBC:

**handed out**  
*ges ut*

*Mark Harper: People escaping from Ukraine are refugees escaping from war and we should be generous.*

**MP**  
*medlem i brittiska parlamentet*

He says we should be offering to take in more refugees.

**generous**

I've been speaking to 18-year-old Vinni.

**offering**  
*erbjuda*

Would you be able to help a refugee family?

**whether**  
*om*

*Vinni: Whether its shelter, food, I'm sure I'd be able to help.*

**be able to**  
*kunna*

Should the UK government do more to help refugees?

*Vinni: If they can, they should. I believe if they have the facilities to do so, such as places like Poland where they are accepting refugees, then by all means accept as many as you can.*

**facilities**  
*möjligheter*  
**accept**  
*ta emot*

Vinni thinks the UK should allow more refugees from Ukraine into the UK.

**allow**

I also spoke to 16-year-old Julia

What do you think about the war in Ukraine?

*Julia: One of my friends is Ukrainian, and she's obviously very scared for her family. We've been talking about it and everything is so scary and it just feels like it shouldn't be happening.*

**obviously**  
*självkärlart*  
**scared**  
*rädd*

Thanks Julia and Vinni

And finally:

**finally**  
*till slut*

## Music

*Tamera – Strong for Me:*

*Don't fall for me*

*Don't fall onto me*

*How can I be strong for you*

*I ain't even strong for me*

That's Strong For Me, a song by Tamera, a musician from the UK.

She has synaesthesia - a condition which merges your senses together. It means she can see different colours in her head when she listens to music. She says this helps her when writing songs.

*Tamera – Good Love:*

*Told you I could be the one, but you're too into yourself*

*Tryna put you on a plane, you tryna put me on a shelf*

Thanks for listening and speak to you all next time.

Goodbye!
