### Script 8. The body

---

Grandpa: A leg, an arm and a head. There ...finished!  
Yoyo: Wow, that's good Grandpa.  
Grandpa: Do you know where your heart is?  
Yoyo: My heart, mmmm. Ba boom, ba boom, ba boom, ba boom...  
Why does the heart do that, Grandpa?  
Grandpa: The heart pumps blood around the body... the head ... the shoulders ...  
the arms... and the stomach.  
Yoyo: Oh, my tummy!  
Grandpa: That's right! And now – the legs, the knee and down to your toes.  
Oh, you're clever Yoyo!  
Yoyo: Thank you.

---

Dusty and Daisy: Legs, legs, le-le-legs. Arms, arms, a-arms.  
Hands, knees and bumps-a-daisy! Legs, legs, le-le-legs.  
Arms, arms, a-arms. Hands, knees and bumps-a-daisy!

---

Yoyo: Wow, cool skeleton grandpa!!  
Grandpa: Thank you Yoyo.  
Peggy: Oh yeah, it's a skeleton!  
Kim: Good Morning.  
Yoyo: Oh, my gosh!  
Grandpa: The skeleton's sister.  
Yoyo: This is a small one, you can put it in your pocket.  
Grandpa: Oh, I twisted my knee! Oh! Yoyo, can you go for me please?  
Yoyo: Ok, Grandpa. I'll go.  
Grandpa: Oh, you're so nice. Go Yoyo go!

### The journey

Yoyo: A Circus!  
Yoyo: Hello. What's the matter! Are you sad? Maybe this will help.  
Clown: For me?  
Yoyo: Yes.  
Clown: Wow, a red nose! Do you want to try some acrobatic?  
Yoyo: Ok.  
Clown: Come on!

---

Daisy: Hello wobbly-legs!  
Dusty: Hello. How are you, Daisy?  
Daisy: I feel fine! How are you, Dusty?  
Dusty: I feel good! Ah-ah-ah-ah! I feel good! Ah-ah-ah-ah!  
Dusty and Daisy: So good! So good! How are you? Bah! Bah! Bah! Bah!

---

Yoyo: That was fun, but I have to get home now.  
Clown: Ok.  
Yoyo: Bye.  
Clown: Bye.

---

Yoyo: Hi everyone!  
Everyone: Hi!  
Grandpa: Oh, look at that red nose!  
Yoyo: I went to the circus. And look what I can do!  
Everyone: Wow! Bravo! That's my girl!  
Peggy: Yoyo, you are a clown!  
Grandpa: Oh, I love your hair Yoyo.  
Yoyo: Thank you.  
Peggy: Funny face.  
Yoyo: Oh yeah, the face on my body! It doesn't look like me. Hair, eyes, ears, nose and mouth – that would do.

Sång: I've got feet

I've got feet  
I'm walking on them today  
I've got knees  
They only just bend one way  
I've got hips  
Whenever I dance, how they sway,  
And a belly I fill with jelly and butter and bread  
(Whenever I can)

I've got lungs  
And that's how I get my air  
I've got a heart  
Just hear the thing beating there  
I've got ears  
And shoulders and hands and hair  
And a wonderful big smart beautiful brain in my head

There are so many parts I couldn't start to count them  
But if I ever try and somehow I get done  
There's still just one of me  
And it is fun to be  
The only one of me  
In the world.
