Yoyo: I'm fine. I met a doctor and he says I'm fine.
Grandpa: Oh that's good, I'm happy for you Yoyo.
Yoyo: How do you feel Kim?
Kim: I'm not sure. You know I have a song about this.
Yoyo: Oh, can I hear it?
Kim: Yeah, would you like to?

Sång: I'm not so sure

I'm not so sure I feel quite well today
I think I'd better stay home from school today
Tell me –
Don't you think I feel like I have a fever?
Don't you think I look like I need some rest?
Don't you think my voice sounds a little scratchy?
I'd better stay home today; yes I'm sure it's best.

I had so many things to do today
But I am really not in the mood today
Tell me –
Do you think I might have another sandwich?
And a glass of juice, don't you think I should?
Do you think I might go outside and play now?
I'm better I think, oh yes, now I'm feeling good.
I'm better I think, oh yes, now I'm feeling good.
