EPISODE 2

Blaze

Druid! Druid!

The Druid

Yes, what is it? What are you doing here? You're meant to be in the department store.

Blaze

I can't handle the department store.

I can't. I'll go out of my mind there. I don't get what I'm supposed to be doing. Seven things. Seven important things. Why?

The Druid

Come with me. I'll show you.

Blaze

It's all too much. The sounds, the flashing lights. And the smell! I don't want to be up there with the Human Beings.

The Druid

You need to learn, Blaze. You must learn to understand Human Beings.

Oh, it's a bit dark in here. Light up your hair, would you?

Blaze

Ignite, ignite, at the speed of light!

Sometimes it's good to have burning hair!

The Druid

Come with me. I have something to show you.

Look.

Blaze

Oh.

The Druid

What can you see?

Blaze

Soup. I can see blood... I can see a bird, I can see a leaf, I can see flowers and... And.

Oh, ugh, a heart.

The Druid

Exactly.
All that – is important.

Blaze

Important in what way?

The Druid

Look. This cauldron –
- is like a heart. The Earth's heart. The soup is the Earth's fuel. The Earth's blood.
Without this soup, the Earth will stop spinning.

Blaze

What? Will the Earth stop spinning?

The Druid

The soup must be made ready. Soon.

Blaze

But why?

The Druid

When the soup is ready, we can pour it into the Earth's engine. So that the Earth can
continue spinning.

There are seven important ingredients missing from the soup, and you have to get them
from the Earth.

Blaze

But what seven ingredients?

The Druid

Ahem... That's the problem... I can't quite remember. But we have to find the seven
things. The soup has to be ready on time. Or else the Earth will stop spinning and all life
will die.

You'll die, I'll die – everything will die!
