EPISODE 3

The Druid

The Human Beings on Earth don't know about our world.

But they need us.

This soup is what makes the Earth spin.

Blaze

OK – but what's in the cauldron?

The Druid

Everything that's important to Human Beings. A bird for freedom, a heart for courage... and a leaf for... oh, I don't know, I can't remember...

But...there are seven things missing. And you have to find them. There's no time to lose. The soup must be ready soon!

Blaze

But what things are missing?

The Druid

I can't remember. You see I forget so much these days. The recipe is in this big book. But. I don't quite understand what I've written.

Blaze

But how am I suppose to....

The Druid

Shhhh. Hmmm. Let's see...I think I can detect that... hmmmm...there's no laughter.

Blaze

Laughter? How ever am I suppose to get that?

The Druid

Yes – I remember! It was something to do with round and noisy.

Let me just check the book... Here... Round and noisy... Laughter round and noisy. Do you understand?

Blaze

No – but I'll try. Something round and noisy you say. And laughter...
