Blaze

Yes! What a stroke of luck! The Department Store Manager is talking to Guy!

Thanks for your help. You found the thief. That's great. Cheers, Guy.

Computer Guy

No problem... he he he.

Department Store Manager

Would you like to be manager here?

Computer Guy

Manager of the Electronics Department?!

Department Store Manager

Yes. You will earn a lot of money.

Computer Guy

I mean...of course.... thank you....he he, I mean....

Blaze

Here's your coffee!!

Department Store Manager

Oh, an assistant! Good!

Computer Guy

An assistant?! Of course, is that alright?

Department Store Manager

Sure it is. A manager needs an assistant.

Computer Guy

He he... yes, naturally.

Department Store Manager

Good. So tell me, how did you know that Isa was the thief?

Computer Guy

It was like this. I'm in the sports department, where Isa's working, and I'm trying on some new running shoes. I'm good at running you see, I'm very, very fast. I was always the fastest at school, when it comes to cross country running. And I always put my shoes on the fastest I possibly could, I was out running and running and running..

Blaze

Er... Guy, come on, drink your coffee!

Computer Guy

...very, very slow. Always last. Everyone else was faster than me. I was always scared and alone at school...

Department Store Manager

Excuse me? What are you talking about?

Computer Guy

Isa is completely innocent.

Department Store Manager

I'm sorry?

Computer Guy

Isa is completely innocent. She's a good girl. Always honest. I really like her. She's pretty too!

Department Store Manager

What?!

Computer Guy

I took the money. I want to have cool things. Nice clothes. A new bike, a new mobile. I want to be cool.

Department Store Manager

So you're the thief?

Computer Guy

Yep, it's me.

Department Store Manager

Security, over here! Security!

Guard

Alright, alright... I'm coming, I'm coming...

Department Store Manager

He's the thief!

Computer Guy

Oh, yes! A thief is what I am! I've taken so much money, oh dear, oh dear, yes indeed. A lot of money!

Guard

Everyone around here's a thief all of a sudden...

Computer Guy

No, no, Isa's innocent. And pretty...really pretty! And you, Blaze, You're not weird at all. You're cool. Really cool. Forgive me.

Blaze

Don't drink any more coffee...

Computer Guy

The coffee was damned good! Delicious! Thank you! That was so nice of you. Really, really nice of you, Blaze! Oh Blaze, I just think you're wonderful. And you're the best coffee maker I've ever had in the Electronics Department. I don't know what I'm going to do, if I can't drink coffee made by you ever again. Ah, it's so much better than all the powdered coffee and all the other rubbish we've been fed over the last few years...
