EPISODE 21

Lift

Going Down.

The Druid

This lift goes down...way, way down. All the way into the underworld.

Isa

Underworld? Wasn't this where we were? On level -2842?

Blaze

Yes. There's another world down there. We come from that world.

Isa

What?

Blaze

Yes. I've come up from the underworld. To save the world.

Isa

Save the world?

Blaze

I have to collect 7 things that make the Earth spin...

I've come up here because I have a mission. My mission is to collect seven things that exist in your world. All of the items are essential to life. And The Druid, she needs these things for her soup. The soup that makes the Earth spin. If the items run out...if the Earth stops spinning, everything will die. You will die, I will die, everything will die.

Isa

Crazy! It all sounds completely crazy.

Blaze

This time, I had to get something wet and salty.

The Druid

I think that tears are right!

Blaze

We're here.

Lift

Level -2848

The Druid

Isa! Welcome to the underworld! You're the first Human Being to have come this far. No Human Being has been here before.

Isa

Really?

The Druid

I'm the one who prepares the soup. The soup is for the machinery of the Earth. It makes the Earth spin.

Isa

What? You must be joking!

The Druid

No. Isa. We need you. We need you to save the world. Blaze needs your help. Will you do it?

Isa

But...no....I don't know...

The Druid

Here's the little bottle containing your tears. I think that tears are wet and salty. I'm going to pour them into the soup.

Blaze

Wow! We were right – your tears were needed for the soup!

Isa

I don't understand anything of this.

The Druid

Tears. That's right... Now I remember. Tears represent sorrow. Tears are wet and salty. Thank you, Isa!

Isa

Don't mention it.

The Druid

Have a smell... There's still something missing. It's something... We've got sorrow and laughter and friendship and a lot of other things... But now it needs something warm...and ...soft. What could that be? You've helped us so far. You can't stop now!

Isa

OK...But what do you want me to do?

The Druid

Listen to your heart! Find something warm and soft.

Isa

But that can't be so hard...can it?

The Druid

Brilliant, I know you can do it. Hurry, now! Something warm and soft!

Isa

You and me, Blaze! We're real heroes! We're going to save the world!

Blaze

But...but...what are you doing?

Isa

Kissing you on the cheek...

– and you're hair's on fire again!

Blaze

Ha ha
